LPGA TEACHING AND CLUB PROFESSIONALS

Teaching Certification Programs

Level III - Teaching

Program Objectives

To provide information and resources enabling educators to serve all students of golf by:

1. Developing and enhancing an effective teaching/learning model, applying motor skill learning theory that will lead to optimal performance, recognizing and optimizing the personality traits of students, observation and assessment of students' golf skills.
2. Observing and applying club fitting knowledge that will lead to optimal performance.

Program Format

This program is designed to assist teachers in further development of their teaching skills and to provide new information and application for the following:

- Club fitting specifications
- Physical assessment/motor skill adaptation
- Business marketing
- Sports psychology
