#### DIETARY SUPPLEMENT WARNING

Some dietary or nutritional supplements that are sold over the counter or through the Internet contain LPGA Prohibited Substances. This may not be indicated on the list of product ingredients. These products are not licensed and are not subject to the same manufacturing and labeling guidelines as licensed medications.

#### DRUG FREE SPORT; ADDITIONAL QUESTIONS

This “Examples of Permitted Medications – 2015” document was prepared by Drug Free Sport, Inc. If you have questions about prescription or over-the-counter drugs not listed above, please contact the Drug Free Sport “Resource Exchange Center” via telephone, online, or over e-mail at:

- Hotline Number: (877) 285-1436
- Online: [www.drugfreesport.com/rec](http://www.drugfreesport.com/rec). Use the same password used for LPGA player extranet; if you have any questions, please contact the LPGA Administrator).
- E-mail: [LPGA@DrugFreeSport.com](mailto:LPGA@DrugFreeSport.com)
- Drug Look-Up Database: You can enter the name of an over-the-counter or prescription medication into the drug database in order to find out if your medication contains any LPGA prohibited substances. This service is available 24 hours a day, 7 days a week. Please note that the Drug Look-Up Database will only provide an answer for over-the-counter drugs and prescription medications/drugs, and that this database will **NOT** indicate whether a supplement (which includes vitamins) contains any LPGA prohibited substances.
