

**Hole 4 (Par 4, 457 yards)**

Especially long par-4 into the wind. Keep right with the driver to avoid the out-of-bounds area.

**Hole 5 (Par 5, 600 yards)**

It will take three good shots to get there. Don't be tempted here! Aim toward the fairway bunker left on your drive to avoid the three bunkers on the right.

**Hole 6 (Par 3, 195 yards)**

Crooked Stick's "signature" par 3 plays shorter than its measured length with the prevailing wind. The green slopes down from the center so don't overclub.
