Presented by J Golf

Salute To The Military

In appreciation of the service and commitment made by our local military members, the Kia Classic Presented by J Golf has partnered with San Diego North County Blue Star Mothers of America to salute our military troops.

Each spectator bringing three or more items per day to the tournament to donate toward care packages for the troops, will receive a 50 percent discount on a grounds ticket. The event will run from Friday, March 26-Sunday, March 28, and donation boxes will be located at the main entrance to the tournament.

For a list of acceptable items, please visit,

Help support our troops while enjoying world class women's professional golf in Southern California.

Also, all active-duty military members will receive free admission to the tournament with a military ID.
