

I will be inducted into the Colorado Golf Hall of Fame October 5th, 2008. The awards dinner will be held at the Inverness Golf Resort Hotel in Aurora, CO. The following day there is a Pro-Am at the Castle Pines Golf Club where the PGA International was held in past years.

I am thrilled and honored that I was chosen and looking forward to recognizing all those that helped me along in my teaching career. Students and peers alike.

Respectfully,

Sharon
